“Cures for the Colors” Lantern Release

Join us as we release lanterns in memory of someone who has lost their battle with cancer, or in honor of someone who continues to fight this disease. Southeastern Cancer Care is an organization designed to help cancer patients with their needs such as prescription drugs, gas, food, utilities, etc. All the money raised stays right here in Eastern North Carolina to assist patients who are on active chemo, radiation or within three months of surgery.

By purchasing a lantern for \$10.00 we will place the name of your loved one on the lantern in their honor or memory. Lanterns will be released during the closing ceremony on May 6, 2017 at dusk. Alternate weather date will be May 12, 2017 at 7:30p.m.
